careyanimalclinic@att.net

The clinic has been using baby food or pet safe peanut butter to help make visits easier for your pet.

Should you have a peanut allergy in your household, please make a clinic staff member /doctor aware so that it is notated to use ONLY BABY FOOD for your pet.

If your pet is on a special diet and you DO NOT WISH to have either peanut butter or baby food used, please let a clinic staff member/doctor know so it can be notated on your pet's file.

Peanut Allergy in Household:      Yes       No

Special Diet for Pet:      Yes       No
